HOW TO CONDUCT A LEARNING WALK

- Do you feel confident in the skills of conducting a learning walk?
- Are you prepared to carry out 'collaborative' learning walks with ISI inspectors?
- Do you know how to use a learning walk to help other teachers improve their practice and to drive school improvement?

MONDAY 20TH JANUARY 2025

5.00PM TO 6.30PM

Target Audience

Teachers of Year 3 and above will benefit from the webinar, but it is especially suited to Heads of Department, Middle and Senior Management who are expected to undertake learning walks.

INSET Overview

Making Learning Walks Beneficial

Learning walks are an essential tool for middle and senior leaders in driving school improvement. They are a key part of the process of overall improvement in both teacher and pupil performance and progress.

This course will explore practical strategies to ensure rigorous and robust learning walks are an important element of any school performance management processes; and are used to inform and improve outstanding learning and teaching.

INSET Outline

Conducting a Meaningful Learning Walk

- What are they best used for and what should they NOT be used for?
- What should you be looking for and how to do it.
- Understanding how ISI use learning walks in the new F23 Framework
- Are the pupils learning anything and how do you know?
- Tips for measuring progress in the short and longer term

Strategies to use learning walks to develop the quality of teaching and improve pupil outcomes.

- Collaborative learning walks & their benefits
- The role of learning walks in curriculum leadership
- Embed a formative approach to learning walks

Speaker: John Medlicott

John Medlicott is the Director of JMC Education, having held a number of key academic and pastoral leadership roles in schools and colleges. As a teacher trainer and school improvement consultant he is regularly graded as "outstanding" by delegates on their evaluation forms. He has recently spoken on challenge and differentiation at a National Conference for Deputy Head teachers and is a regular Keynote speaker and workshop provider in School Leadership and Teaching and Learning.

Details

The webinar would be online using a platform such as Zoom or Teams and delegates would be sent a code in order to sign in. Delegates will be provided with all the materials and the powerpoint as a pdf.
